There's more!

Kumatori honey cakes

Note: Sold at Patisserie le Prunier, Ekishita Nigiwai Kan (Tourist Information Center), and Shop Himawari (Rengakan).

A long-awaited collaboration product!

The fruits of a collaboration between local honey farmer Bee Smile (Shibata Bee Farm) and cake shop Patisserie le Prunier! The cakes are made with premium ingredients, including honey produced in town and eggs that are high in folic acid and great for the skin. Take a bite, and feel the honey sweetness and the flavor of lemon fill your mouth with deliciousness!! And they're shaped like... you-know-who!? Perfect for a cute souvenir.
